

You'RE **MAKING A DIFFERENCE!**

#VolunteerOneRaceOne

Volunteer a race shift and get a free race entry. See below for guidelines to earn a free race entry.

- Shifts eligible for program: event set up, event tear down, race day.
- You must be on time and work the full shift you signed up for
- Free entry must be used for a subsequent event. Entry good for one (1) year. If free entry is not used by the event of the following year, it will be void.
- You must check in and check out with volunteer coordinator or approved race staff.

We appreciate your help. Thank you for giving back to this wonderful multisport community!
